Jesus Loves the Little Children

Jesus loves the little children
All the children of the world;
Red and yellow, black and white,
They are precious in his sight;
Jesus loves the little children of the world.

Jesus died for all the children,
All the children of the world;
Red and yellow, black and white,
They are precious in his sight;
Jesus died for all the children of the world.

Jesus rose for all the children,
All the children of the world;
Red and yellow, black and white,
They are precious in his sight;
Jesus rose for all the children of the world.

Jesus wants the little children,
To be careful what they do;
Honor father, mother dear
Keep their hearts so full of cheer;
Then he'll take them home to glory by and by.

Days of Creation Song

Day One, Day One
God made light when there was none.
Day One, Day One.
God made light when there was none.

Day Two, Day Two
God made clouds and skies of blue
Day Two, Day Two
God made clouds and skies of blue

Day Three, Day Three
God made grass and flow'rs and trees
Day Three, Day Three
God made grass and flow'rs and trees

Day Four, Day Four
God made sun, moon, stars gal-ore
Day Four, Day Four
God made sun, moon, stars gal-ore

Day Five, Day Five
God made birds and fish a-live
Day Five, Day Five
God made birds and fish a-live

Day Six, Day Six
God made an'mals and man that day
Day Six, Day Six
God made an'mals and man that day

Day Seven, Day Seven
God is resting in His Heaven
Day Seven, Day Seven
God is resting in His Heaven

Watch Your Eyes

Watch your eyes, Watch your eyes, what they see.
Watch your eyes, Watch your eyes, what they see.
There's a Father up above, looking down in tender love.
Watch your eyes, Watch your eyes, what they see.

Watch your ears, Watch your ears, what they hear.
Watch your ears, Watch your ears, what they hear.
There's a Father up above, looking down in tender love.
Watch your ears, Watch your ears, what they hear.

Watch your lips, Watch your lips, what they say.
Watch your lips, Watch your lips, what they say.
There's a Father up above, looking down in tender love.
Watch your lips, Watch your lips, what they say.

Watch your hands, Watch your hands, what they do.
Watch your hands, Watch your hands, what they do.
There's a Father up above, looking down in tender love.
Watch your hands, Watch your hands, what they do.

Watch your feet, Watch your feet, where they go.
Watch your feet, Watch your feet, where they go.
There's a Father up above, looking down in tender love.
Watch your feet, Watch your feet, where they go.

Watch your eyes, your ears, your lips, your hands,
your feet.
Watch your eyes, your ears, your lips, your hands,
your feet.
There's a Father up above, looking down in tender love.
Watch your eyes, your ears, your lips, your hands,
your feet.

This Little Light of Mine

This little light of mine, I'm gonna let it shine.
This little light of mine, I'm gonna let it shine.
Let it shine, all the time, let it shine!

Hide it under a bushel, NO! I'm gonna let it shine.
Hide it under a bushel, NO! I'm gonna let it shine.
Let it shine, all the time, let it shine!

All around the neighborhood, I'm gonna let it shine.
All around the neighborhood, I'm gonna let it shine.
Let it shine, all the time, let it shine!

Don't let Satan pfft- it out! I'm gonna let it shine.
Don't let Satan pfft- it out! I'm gonna let it shine.
Let it shine, all the time, let it shine!

Let it shine 'til Jesus comes. I'm gonna let it shine.
Let it shine 'til Jesus comes. I'm gonna let it shine.
Let it shine, all the time, let it shine!

The More We Read the Bible

The more we read the Bible, the Bible, the Bible,
The more we read the Bible, the happier we'll be.
We'll learn about Jesus, and how He can save us.
Oh the more we read the Bible, the happier we'll be.

The more that we help others, help others, help others,
The more that we help others, the happier we'll be.
When we help them, we love them, we're drawn close together,
Oh the more that we help others, the happier we'll be.

The Wise Man, Foolish Man Song

The wise man built his house upon the rock,
The wise man built his house upon the rock,
The wise man built his house upon the rock,
And the rains came a'tumbling down!

The rains came down and the floods came up,
The rains came down and the floods came up,
The rains came down and the floods came up,
And the house on the rock stood firm.

The foolish man built his house upon the sand,
The foolish man built his house upon the sand,
The foolish man built his house upon the sand,
And the rains came a'tumbling down!

The rains came down and the floods came up,
The rains came down and the floods came up,
The rains came down and the floods came up,
And the house on the sand went SPLAT!

So let's build our house on the Lord Jesus Christ,
So let's build our house on the Lord Jesus Christ,
So let's build our house on the Lord Jesus Christ
And the blessings will come down.

The blessings come down as our prayers go up,
The blessings come down as our prayers go up,
The blessings come down as our prayers go up,
So let's build our house on the Lord Jesus Christ!

Root Them Out

Root them out; get them gone,
All the little bunnies in the field of corn:
Envy, jealousy, malice and pride;
These must never in my heart abide.

Search them out; plant them in,
All the blessed virtues of the Book within:
Kindness, thoughtfulness, peace and love,
All the other likenesses of Christ above.

Roll the Gospel Chariot Along

Roll the gospel chariot along,
Roll the gospel chariot along,
Roll the gospel chariot along,
And we'll not lag far behind.

If a sinner's in the way, we will stop and pick him up,
If a sinner's in the way, we will stop and pick him up,
If a sinner's in the way, we will stop and pick him up,
And we'll not lag far behind.

If the devil's in the way, we will roll right over him,
If the devil's in the way, we will roll right over him,
If the devil's in the way, we will roll right over him,
And we'll not lag far behind.

Roll the gospel chariot along,
Roll the gospel chariot along,
Roll the gospel chariot along,
And we'll not lag far behind.

Goodbye, Children

Goodbye, children; goodbye, children
Goodbye, children; we hate to leave you now.
Be sure to come to class next time,
Class next time, class next time;
Be sure to come to class next time,
And bring your neighbor, too.
